

## Caring for Community Grant Application

### Nonprofit donation form for Rexburg, Soda Springs, Star Valley, Swan Valley and Teton Valley

Silver Star Communications has been giving back to the communities it serves for over sixty-five years. We strongly believe in supporting organizations that enhance quality of life for our customers and employees.

Applications for the Caring for Community program are accepted annually in January. Things that our review committee takes into consideration:

- Does the project help to sustain the unique character of our community for future generations (Silver Star's social mission)?
- How many people will benefit?
- Will the project enhance lives through technology? (not required, but taken into consideration)

The Caring for Community program is a donation request process, not intended for sponsorships. If your organization is seeking funds for an event or program in which Silver Star will receive significant advertising designating Silver Star as a sponsor including newspaper ads, banner placement, website recognition, etc., [please submit a sponsorship request](#).

Please contact Kim Billimoria with any questions regarding donations or sponsorships.

**Jackson and Idaho Falls nonprofits:** please review the [sponsorship form](#) to see if it is a fit for your request. If you have any questions, please contact Kim Billimoria (contact info above).

### Instructions

- Please complete the entire application. The program description and use of granted funds is the most important criteria reviewed. Incomplete applications may not be reviewed.
- For your convenience, we've provided an online form and a PDF application for submissions. Use whichever is easiest for you. Submit PDF application as an email attachment. The email address for submission is [sgreen@silverstar.net](mailto:sgreen@silverstar.net). Online form or email is the preferred method of receipt, but mailed applications will be accepted.
